All registration information provided by Bidders to Auctioneer shall be current, complete, and accurate. Bidders must be 18 years of age or older.

Bidders agree to not use any device, software or routine to interfere or attempt to interfere with the proper functioning of this online auction sale. Bidders acknowledge that this online auction is conducted electronically and that the Auctioneer and other parties to the online auction will therefore of necessity rely on hardware and software that may malfunction without warning.

To proceed with bidder registration, Bidder must first agree to the following Terms and Conditions / User Agreement

I Agree / I Disagree

Eligibility:

If you are a minor, you may use our services only in conjunction with your parent or legal guardian. If you do not qualify, please do not use our services. Further, your account and user ID may not be transferred or sold to another party. Implied Warranty/Disclaimer:

Information that is used or shared by Auctioneer in connection with this online auction that has been provided by Auctioneer's client, the Owner/Seller, is believed to be true and correct. Auctioneer, its owners, agents and other representatives, are not responsible for any misleading information that is provided in connection with this online auction sale. Auctioneer is not responsible for any claims related to lots.

Your Information:

You are solely responsible for providing accurate information that will be used to identify you to this online auction system, to deliver notices to you and to allow the Auctioneer to contact you. If your contact information changes, then you are responsible for updating it. The Auctioneer will not be responsible for lost, delayed or misdirected notices in the event you do not update your information in a timely manner. Your personally identifying information will be protected as per Roger M. Hunker, Auctioneer Privacy Policy, which is incorporated by reference into this Agreement. Auctioneer may refuse to provide services to anyone at any time in its sole discretion. You will be suspended or permanently banned from this site if you provide false information when registering, such as a false name or false contact information. You will also be permanently banned from this site if you are the successful Bidder in an online auction and do not honor your auction bid. Our use of email addresses is strictly for contacting Bidders and

Owners/Sellers; any use of this private information by anyone else or for any other reason is strictly prohibited.

Description of Information:

The Auctioneer believes the descriptions of lots appearing in this online auction sale and in advertising prior to this online auction sale to be correct. Nevertheless, neither those descriptions nor any oral statements made by Owner/Seller or Auctioneer concerning any lot shall be construed as a warranty either express or implied. LOTS ARE SOLD AS IS – WHERE IS and WITH ALL FAULTS. Bidder acknowledges that all lots were available for inspection prior to the online auction sale and, by these terms, Auctioneer and Owner/Seller strongly encourage Bidder to carefully inspect each lot in which Bidder has any interest. Bidder relied solely on personal inspection and not on information listed on this site or otherwise provided by Auctioneer or Owner/Seller. If Bidder failed to inspect any lot, this failure to inspect, or otherwise be fully informed as to the nature, quality, condition, quantity and size of the lot, will not constitute grounds for any claim, adjustment, refund, termination of the contract for sale, or refusal to close the sale. These written terms constitute the final expression of the parties' agreement and are a complete and exclusive statement of the terms of the contract for sale, or refusal to close the sale. The IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND ALL OTHER WARRANTIES, EITHER EXPRESSED OR IMPLIED, ARE SPECIFICALLY EXCLUDED from this contract for sale and this transaction and shall NOT apply to the merchandise that is the subject of this sale and this transaction. The Auctioneer is not responsible for the actions the Owner/Seller and Buyers take before, during, and after the online auction sale, typographical errors, misprints, loss of merchandise/money, damage or failure of equipment, due to visits to this site. Use of this site is at Bidder's own risk, and all content is presented "As Is". Specific terms regarding auction location, lot descriptions, payment terms, shipping and delivery, insurance and other important information is located on the first page of this site.

Bidding:

Bidding is done in increments and will vary by lot according to the current price. You are encouraged to bid the maximum amount you are willing to pay for the lot (Maximum Bidding). Be aware that you may be outbid minutes before the close of the online auction and may not have the opportunity to enter another bid. You will not automatically receive notification if another bidder outbids your maximum bid. You will therefore need to monitor the auction activity to stay fully informed. In the event of a tie, the earlier bid will be considered the winning bid. When bidding ends, all sales shall be considered final. There are no exchanges or refunds absent express statement to the contrary expressed herein. A bid by any person shall be deemed conclusive proof that such person is familiar with the Terms and Conditions of Use and Auction Rules and that the Bidder agrees to be bound by them.

Every transmission over the Internet travels a different route and can be delayed by a variety of factors, including the Bidder's own computer. The time lapse between submission of a bid and its registration can vary by several seconds. Bids are queued by Auctioneer's host computer in the order received. Bid positions are awarded on a first come first served basis. Bids are time stamped by the host computer with the time received. To be accepted, bids must be received by the host computer prior to closeout.

In the event of malfunction by Auctioneer's host computer, the online auction will be stopped. If the malfunction has not affected the sale prior to the malfunction, the lots will be considered sold. Auction of any remaining lots will be completed upon correction of the malfunction. Bidding on the remaining lots will be open, with no bid positions awarded upon resumption of the auction. Any malfunction by the Bidder's computer or Internet service provider is not the Auctioneer's responsibility.

Placing a bid is a binding contract between you and the Owner/Seller, and the bid cannot be retracted. Once a Bidder places a bid, and the bid is the high/winning bid, the Bidder will be obligated to buy the lot at the said price indicated. Placing a bid on this online auction site, and winning, then not paying for the lot is illegal in most states, and prosecution can result.

The Owner/Seller of property sold through this online auction site reserves the right to reject any and all bids.

As a Bidder, you are responsible for any bids placed by you or a designated representative under your bidding number and password. The security of your Bidder information is your sole responsibility and the Bidder will be responsible for any and all bids placed under the assigned number. If, at any time, you feel that your Bidder number and password have been compromised, due to lack of security on your part, you must notify Auctioneer immediately.

Bidders agree that when using the Maximum Bid feature on our online auction Web site they will use it according to the terms and conditions applicable to that feature. Please note that when using the Maximum Bid feature, if you are the current high Bidder and you want to change your Maximum Bid, you will be required to place a new bid in the increment designated for that lot in order to raise your Maximum Bid, which may cause you to raise your last high bid by one bid increment. You, as a Bidder, understand and agree to how the Maximum Bid feature works if you choose to use it.

Bid Retractions:

There are no bid retractions. ALL BIDS ARE NON-CANCELLABLE ONCE SUBMITTED. Once a bid is made and confirmed, it cannot be retracted. When a bid is made you manifest your intent and ability to buy the lot at the bid price. A false or fraudulent bid may result in legal action. Any winning Bidder who refuses to purchase the lot may be banned from all future online auctions.

Despite efforts to avoid the withdrawal of lots from the online auction sale after they are listed, it may sometimes be necessary to so withdraw lots, therefore, the Owner/Seller reserves the right to do so at any time before or during the online auction sale.

Reserve Price:

An auction lot may have a reserve price. The reserve price is the lowest price at which the lot will be sold. The reserve price is never disclosed to Bidders, but a note may be displayed in the lot information screen specifying a reserve price. When the reserve price has been met the screen may read "Reserve Price Met". The lot will then be sold to the highest bidder at the conclusion of the online auction sale. When an article is sold

with reserve the Auctioneer may bid on the Owner/Seller's behalf in an amount not to exceed the reserve price.

If the reserve price is not met, the lot will not be sold during that online auction. The Owner/Seller reserves the right to accept or reject any or all bids unless otherwise stated.

Limit of Liability:

In no event shall the Auctioneer be liable for lost profits or any special, incidental, or consequential damages whatsoever arising out of or in connection with any sale or transaction.

Auctioneer reserves the right to reject or void bids, whether winning or not, that Auctioneer deems not to have been made in good faith, or that are restricted, prohibited, or taxed due to local laws.

Auctioneer is the one and only judge regarding the determination of winning bidders, and the single deciding authority if disputes should arise, and accepts no liability for any errors or omissions. Auctioneer reserves the right to reopen bidding on any disputed bids or ties.

Auctioneer reserves the right to postpone or cancel a sale without notice, if it is determined in Auctioneer's discretion that such action is appropriate for whatever reason in Auctioneer's sole discretion.

Auctioneer will neither have liability nor obligation to the intended bidders as a result of any withdrawal, cancellation, or postponement of any sale.

Title and Delivery:

Title passes to the high Bidder at the end of the allotted bidding time for each lot. All risk of death, damage, or injury to each lot becomes the Buyer's risk upon the end of the allotted bidding time. Each Buyer, following his or her purchase, will receive an Acknowledgement of Purchase via email outlining the details of the transaction including payment, settlement, and final terms.

Registration Papers:

The Owner/Seller is responsible for the transfer of registration papers. The Auctioneer assumes no responsibility for registration transfers.

Transportation:

The Buyer, at Buyer's own expense, shall transport the livestock or merchandise from the Owner/Seller. Specific arrangements will be indicated on each individual auction and expenses will be handled between Buyer and Owner/Seller. If you have questions regarding transportation, contact the Owner/Seller before placing any bids.

Payment:

Payment for purchases must be made payable to Roger M. Hunker, Auctioneer, unless otherwise noted in the specific online auction's terms and conditions. Buyer must acknowledge and agree not to retract the purchase offer. Buyer shall be responsible for making arrangements for delivery of merchandise or livestock. All bids are in US Dollars; all settlements will be paid in US Dollars.

Authorized Agents:

Persons acting as agents must so indicate.

Default of Purchase:

If any person shall purchase a lot and fail to pay for it in the manner described above, the Owner/Seller shall have, in addition to all other legal rights, the right to resell the lot, or, at Owner/Seller's option, bring an action for specific performance, in which event the defaulting Buyer agrees to pay all costs of such suit, together with all reasonable attorney's fees and expenses. In the event of a resale, the defaulting Buyer agrees to pay all costs of resale, plus any deficiency between the original purchase price and the total price upon resale. If Buyer brings a lawsuit against Auctioneer and does not prevail, Buyer will reimburse Auctioneer for all reasonable legal fees and expenses incurred in connection with said suit.

Indemnification:

Bidders and Owner/Seller agree to indemnify and hold this online auction site, its owner, and its parents, subsidiaries, affiliates, officers, and employees, harmless from any claim or demand, including reasonable attorney's fees, made by any third party due to or arising out of Bidder's and Owner/Seller's use of the online auction service, the violation of these terms of service, the infringement of the service using Bidder's computer, or of any intellectual property or other right of any person or entity.

Roger M. Hunker, Auctioneer provides a venue and mechanism to bring Buyers and Owner/Sellers together over the Internet.
